> DBZ vs. Teletubbies
>
 One day, when Goku arrived at home, he saw his young son
> Gohan staring at the TV and drooling. He was continually repeating,
 "Teletubbies are the rulers of the universe" Goku immediately
> suspected that once again, the Teletubbies, Tinky-Winky, Po, Laa Laa,
 and Dipsy were up to no good.
>
 They were taking over young childrens minds. Goku immediately

> shot an extremely powerful ki blast at the TV. Goku called his friends
 and told them to meet him at the PBS television station where the
> Teletubbies were broadcasting their evil.
> Goku was out of the house faster than a speeding bullet. When <br> he arrived at the TV station, he found that his friends, Krillen, Vegeta,
> Tien, and Chaotzu were already there. Goku said, " We are here to <br> destroy the Teletubbies. When I came home, I saw Gohan sitting in front of
> the TV mumbling to himself, 'Teletubbies are the rulers of the universe.'"
> They entered the TV station and asked the receptionist, " Where are
 the Teletubbies being broadcasted?"
>
 The receptionist said, " They are down the hall, first door on the
> left. Why do you want to see the Teletub-" she was not able to

finish <br> because she heard a loud crash in the hall and saw Goku and the others
> sprinting toward the Teletubbies studio.
> When they entered the studio, the producer said in an English accent,
 "Who the devil are you?"
>
 Goku turned his head when he heard a loud crash. Vegeta was already
> threatening the Teletubbies. Goku, Tien, Krillen, and Chaotzu ran over to
 where Vegeta was standing. Suddenly, they were transported to a land with
> a whole bunch of hills and the sun with a baby's head on it. Krillen said,
 "Where did you take us? Bring us back now!"
>
 Then Tinky-Winky said in his voice closest to English , "We will
> never take you back. That mean old man over there was threatening us.
 For that you will pay dearly."
>
 Then Vegeta said very angrily, "Who are you calling old! I am not
> very old! For that you will pay dearly." But before he could say anything <br> more, Po, with her TV, turned to another PBS show. A big purple dinosaur
> on the TV started singing, " I love you, you love me, we're a happy family."
> With that, Vegeta was hypnotized. He started clapping his hands and <br> singing. Po got on her scooter and went up the tallest hill. She came down
> at an incredible speed and knocked Vegeta into the sun.
> Tien said angrily, "Your gonna pay for that," with that, Tien used <br> his Tri-form technique. All three of the Tiens started punching away at Po.
>
 Po said in his nicest voice possible, "You aren't very nice."

>
 Dipsy got his top hat and threw it like a boomerang, and all of the
> Tiens heads fell off. Tinky-Winky and Laa Laa started playing soccer with <br> the heads.
>
 Chaotzu was very mad after this and said, " How dare you hurt Tien."
>
 Suddenly, a large ball of energy came flying at Po. Everything

> inside him, guts and all, came flying out at Chaotzu. All this time,
 Goku had been gathering energy for a Genki Dama! Chaotzu said, "Ewe,
> Teletubby guts. And whats this? Children!"
> Not only had the Teletubbies been brainwashing children, they <br> had been eating them whole. One child said, "Please help me. I've been
> in there for a month."
> Krillen said, "How could you have been eating poor innocent <br> children? That is so crude and mean."
>
 Chaotzu was so angry, it looked like he was going to explode.

> He flew onto Dipsy's back and said, "Kamikaze!"
> Dipsy was struggling to get him off. After a minute he said,
 "Uh, oh! Bye, bye. I'll be back sometime." After those last words,

> there was an explosion. Dipsy and Chaotzu were gone into a cloud of <br> smoke.
>
 Krillen yelled, "NO! Chaotzu!!"
>
 Goku, who was so angry, that he turned Super Saiyan 1. He

> charged straight for Tinky-Winky. He pulled back his fist, and let it <br> go forward with incredible force. His fist went straight through
> Tinky-Winky. Tinky-Winky said, "Ouch!" and fell to the ground.

> Laa Laa ran off and said, "I'll tell the great big baby on <br> the sun! He'll get you for this! Killing Tinky-Winky, Po, and Dipsy."
>
 For a big fat round Teletubbie, he was pretty fast. He went

> dancing to the horizon where he could talk to the baby. Goku and
 Krillen wasted no time in getting to the great baby in the sun.

> They flew faster than a jet plane. When they reached the sun. They <br> found out that Laa Laa was already talking to the sun.
>
 They found out that the sun in Tubbyland was not very hot.

> That means that Vegeta could still be alive. There was a large <br> explosion and Laa Laa went flying. The sun blew up. What they saw now

> was a man. It was Vegeta. Vegeta said, "What a wimpy sun. Hey Kakorot, <br> what happened to all the other teletubbies, don't tell me you already
> destroyed them. I wanted to have some fun too!"
> Goku then said, "The last one, Laa Laa, is still alive.
> "Good," Vegeta said, "I geuss I'll be destroying that one.
 By the way what happened to that squirt and the three eyed cowboy?"
>
 "They were destroyed by the other Teletubbies, but we took

> care of them" said Goku.
> Goku, Vegeta and Krillen went over to the area where Laa Laa <br> had landed. Laa Laa was running around saying, "I'm going to hurt

> those meanies. Just wait till I show th-" he was not able to finish <br> because he heard someone yelling, "Gatling Gun!"
>
 He turned his head and saw Vegeta put his hands together like

> a gun. A huge blast of energy shot out and destroyed Laa Laa spraying <br> guts all over. Laa Laa was not the only one destroyed. Tubbyland was
> destroyed with it.
> The three were flying around in space for a few seconds. Then <br> they were teleported back to the PBS station. The producer was standing
> there, and said in his English accent, "What the devil did you do and <br> where are the Teletubbies!?"
>
 Goku said happily, "We took care of them. We saved all the children
> too. Who knows who might turn a good child bad next. Sailormoon, Barney, Ronin
 Warriors. The world will never know.
>
 After that the three shot off through the ceiling and back home.
> The producer said, "You'll be paying for that! That ceiling cost a <br> lot of money you know!"

 Once again, Serenity had nothing to do with this (she hates blood and

you have read

lover).
